

EDIBLE OIL · 7 SKUS

Edible oil preforms

Edible oil — sunflower, soybean, blends, and specialty grades.

7	Husky HPP6e	100%
Preform SKUs in production	Manufacturing platform	rPET capable where applications & approvals allow

About the family

29/21 and 42/36 neck standards. Validated against fill, transport, and consumer-handling profiles for edible-oil applications. Stress performance, dimensional stability, and seal integrity confirmed across the temperature and humidity ranges typical of MENA distribution and export.

7 preforms in production today

SKU	Weight (g)	Neck	Volume	Length
DEN-OIL-17_6-29-21	17.6	29/21	750 ml	97.95 mm
DEN-OIL-19-29-21	19	29/21	750 ml	97.95 mm
DEN-OIL-22-29-21	22	29/21	1 L	97.95 mm
DEN-OIL-24-29-21	24	29/21	1 L	97.95 mm
DEN-OIL-29-29-21	29	29/21	1 L	110 mm
