# Water preforms

Still and mineral water — from single-serve to 5-gallon.

<b>21</b>	<b>Husky HPP6e</b>	<b>100%</b>
Preform SKUs in production	Manufacturing platform	rPET capable where applications & approvals allow

## About the family

PCO 1881 and 29/25 neck standards. Lightweighting via 29/25 LW (2.21 g) neck available on selected SKUs — saving 0.2 g vs the standard 29/25 neck (2.41 g). Validated against drop-test, top-load, and consumer-handling profiles.
